HO HO HO MERRY CHRISTMAS 1986

LAKE PARK NEIGHBORS

Well, the holiday season is here again and it's time for fun and merriment, parties and fellowship.

Malcom & Virginia Scott have been so gracious to invite the neighborhood into their lovely home again this year for our annual neighborhood Christmas party. It will be this Sunday, December 14th from 5 to 7pm. Their address is 1042 Waterford Dr. Bring a goodie with you, just some kind of finger food, and come and enjoy visiting with your friends and neighbors. (Oh yes, Virginia wanted me to mention that the driveway serves as entrance to the house. It is a little steep so ladies in high heels watch your step please.)

There will not be a neighborhood meeting in the month of January. The next regular day time meeting will be Thursday, February 5th. In the home of Audrey McFall, 9731 Kilarney. Mildred Green will co-hostess. 9:30 to 10:00am will be for coffee, cookies & visiting. Meeting starts at 10:00. We are going to share household hints so be thinking of your very best and bring them with you.

Here is something that sounds like a lot of fun. Mrs. Jane Stewart will be hostess to a neighborhood "COOKIE SWAP". This thursday, December 11th. 10:00 am. She lives at 9606 Athlone. Bring 6 dozen cookies. Put them one dozen to a container (baggie or sack or etc.) You can then trade them one dozen at a time and end up with 5 different kinds. (One dozen will be put on the table for each to sample.) Jane will serve coffee to go with those wonderful cookies.
