LAKE PARK ESTATES LOCAL AFTERNOON OUT

Those of us who attended the postponed-to-October 21 "National Night Out" event thoroughly enjoyed the afternoon. We got to talk with neighbors, visit the Northeast Division's Police mobile unit, check out Firestation 103's new fire truck and meet Officer Steve Short and several firefighters.

Mary Poss, our District's City Councilmember, graciously accepted our invitation to give us an overview of events affecting Dallas and our neighborhood. Besides commenting upon the future dredging of White Rock Lake, Mary reported that crime committed in District 9 has decreased in many categories this year compared to last year (e.g., murder, individual robbery, residential burglar and auto theft). Total crime has decreased by 1.8%.

Mary has asked me to share her phone number at City Hall -- 670-4069. If you ever have any questions or problems accessing Dallas services or concerning City Council activities, please call her. Marcia Crawford, her assistant, will try to help you first and then pass the message on to Mary.

Special thanks to Tom Allen, Carol Brewer and Gary Bush for helping me to organize this event. Lastly, thanks to the following retailers for donating their services and products as raffle gifts during the afternoon.

NEIGHBORHOOD ASSOCIATION FORMATION - FIRST MEETING

Todd Howard and I have gathered information on how to start a neighborhood association. We are committed to helping to make that happen for Lake Park Estates. Our first planning meeting will be January 24, Wednesday, at 7:30. Please call Todd to RSVP if you would like to participate. The location will be determined later based on the size of the group.

We'll keep you posted on this exciting new development for our neighborhood!

NEWSLETTER EDITOR NEEDED

Given my involvement with forming the association, I will not be able to continue writing this newsletter. If you have a hankering to become active in the neighborhood and several hours every two months to donate to a good cause, this is a great opportunity for you! Just give me a call at 320-5793. I'll be happy to help get you started as the new editor.
